

**REMARKS**

The claims in this application stand rejected solely for an improper declaration. Accordingly, a new supplemental declaration is enclosed herewith. This supplemental declaration clearly identifies a specific error in the original patent; see especially paragraph 4 of the supplemental declaration. Consequently, Applicant respectfully submits that the new supplemental declaration overcomes the Examiner's rejection of the claims due to an improper declaration.

The Examiner's objection to the specification and claims, namely that the changes made by the Certificate of Correction to the claims were not included, has been rectified by the enclosed new specification and claims.

In view of the foregoing, Applicant respectfully submits that this case is in condition for formal allowance and such action is respectfully solicited.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 07-1180.

Dated: July 8, 2009

Respectfully submitted,
